FAITH SHARING

Corpus Christi is the celebration of the abiding presence of a loving God as *Emmanuel* – God-with-us – in order to give collective thanks to our Lord living with us in the Eucharist. The feast gives us an occasion to learn more about the importance and value of the “Real Presence” so that we may appreciate the Sacrament better and receive maximum benefit from receiving Him.

We believe in the “Real Presence” of Jesus in the Holy Eucharist because Jesus instituted the Holy Eucharist during his Last Supper and He commanded his disciples to repeat it in his memory.

We explain the Real Presence of Jesus in the Holy Eucharist by: “transubstantiation” which means that the substance of the offered bread and wine is changed by Consecration to the substance of the risen Jesus’ glorified Body and Blood by the action of the Holy Spirit, and its accidents (like color, shape, taste etc.), remain the same.

CORPUS CHRISTI (BOŻE CIAŁO)

Today we celebrate the Solemnity of Corpus Christi (Boże Ciało), which is also called The Solemnity of Body and Blood of Christ (solemnity transferred from last Thursday). Jesus is always with us, always blessing us, always protecting us, always helping us. Being thankful for His constant presence in the Holy Eucharist, today we demonstrate our faith in the Eucharistic Procession.

VOTIVE CANDLES

There is a beautiful custom to light a candle when we pray. When you lit a candle for another person or for your very personal intention always remember that the candle prolongs your prayer. We are very happy that our parishioners and guests like this custom. However, when you lit a candle please remember to put your candle offering to the basket. We spend a lot of money in order to provide them for you, but we will not be able to do it without your offerings. Lighting a candle without offering some small donation for them is like stealing from the church, so it's a sin. For small candle please donate \$1, for big candle \$5. Parish is not making any money on it. We just want to pay what we owe to the candle company.
