FAITH SHARING

We need to be instruments for Jesus' healing work. Bringing *healing and wholeness* is Jesus' ministry even today. We all need healing of our minds, our memories and our broken relationships. But Jesus now uses counselors, doctors, friends or even strangers in his healing ministry. Let us ask for the ordinary healing we need in our own lives. When we are healed, let us not forget to thank Jesus for his goodness, mercy, and compassion by turning to serve others. Our own healing process is completed only when we are ready to help others in their needs and to focus on things outside ourselves. Let us also be instruments for Jesus' healing by visiting the sick and praying for their healing. But let us remember that we need the Lord's strength not only to make ourselves and others well, but to make us and others whole.
