### FAITH SHARING

The readings for today give the name “sin” to our offenses against God. When we sin -- violate God's Commandments -- we distance ourselves from Him; when we refuse, or fear, to admit our sins, we deny ourselves God's freely offered pardon and forgiveness.

In describing Adam and Eve's first sin, disobedience, our first reading, taken from Genesis, explains the beginning of evil in the world with its destructive results. The loving relationship joining man to God is destroyed, and the relationship of mutual love between Adam and Eve is weakened. Their default to a “blame game” allowed each to avoid taking personal responsibility for their joint choice.

Very often our friends, families, or childhood companions fail to listen to us and refuse to accept the words of grace, love and encouragement that we offer to them because they are too familiar with us. But we have to face such rejection with prophetic courage because by our Baptism we are called to be prophets like Jesus,

sharing his prophetic mission. As prophets, our task is to speak the truth and oppose the evils in our society without condoning or encouraging sinful behavior even in our dear ones.

### CLEANING AFTER FESTIVAL

Festival is over. A lot of work. Very well done. Successful sale. People are fed with delicious Polish food. Many from our neighborhood visited us yesterday. Hopefully they will join us in our church to worship together.

Now, however, we have to clean our church hall and driveway. All the unsold flea market items must be packed into boxes and stored for our Parish Picnic Flea Market in September at our Park in Bensalem.

On Tuesday afternoon we need your help. Please come and one more time offer your time and energy. Cleaning is much easier and faster than setting up. We start at 5:00 PM.

### FATHER'S DAY CELEBRATION
