FAITH SHARING

Realization of our dignity as children of God should change our outlook on life. We are to be children filled with love, rather than selfishness and disobedience. We are to respect our brothers and sisters in Christ. As God's children, we should live a life of absolute trust in the goodness of our Heavenly Father, who knows what is best for us. The realization that we are the children of God should bring us great comfort, peace and joy--even in our worst moments.

WE HAVE A MISSION TO GROW IN DIVINE ADOPTION

It is in the Church--principally through the seven Sacraments--that our Divine adoption is made possible. We are chosen by God in Christ, we are baptized into his death and his Church, we are healed by his forgiveness, and we are nourished at the Eucharistic table. Today, when we gather as His adopted sons and

daughters at this table of Christ's sacrificial banquet, we can rightly address God as our Divine Father and ask Him for the special anointing of the Holy Spirit that we may grow daily in the true spirit and practice of our Divine adoption.

WE HAVE A LIBERATING MISSION

Although many people don't believe in real demonic possession in our age, there are many demons which can control the lives of people around us making them helpless slaves. For example, there are the demons of nicotine, alcohol, drugs, gambling, pornography, materialism and consumerism, workaholism, internet, computer games, social media or of any other activity which somehow can take control of people's lives and become an addiction over which they have no

control. All of these, or any one of them, can turn people into slaves. We need the help of Jesus to liberate us and others from these things. Jesus is inviting us today to cooperate with him. He wants us to be his instruments of liberation, to help others recover their freedom. We are meant to help people to cure their sicknesses - not only the bodily sicknesses but psychological and emotional illnesses as well. As a family member, a friend, a colleague, an evangelizer, when we work with Jesus, we can truly have a healing influence.

SURVEY AFTER PARISH FESTIVAL

As I mentioned before, it would be good to hear each other's opinion about our parish event. Some things were very good, some little bit less good, some ideas were bad ideas. Let us gather our thoughts together and learn from what we

experienced in order to work better next time. Thank you for your cooperation. The survey can be found in the back of the church.
