FAITH SHARING

Easter is the greatest and the most important feast in the Church for three reasons:

1) The Resurrection of Christ is the basis of our Christian Faith. It is the greatest of the miracles, for it proves that Jesus is God. That is why St. Paul writes: *“If Christ has not been raised, then our preaching is in vain; and your Faith is in vain” (I Cor 15:14). “Jesus is Lord, He is risen!” (Rom 10:9)*, was the central theme of the *kerygma* (or “preaching”), of the apostles, because Jesus had prophesied His Resurrection as a sign of His Divinity: The founder of no other religion has an empty tomb as Jesus has.

2) Easter is the guarantee of our own resurrection. Jesus assured Martha at the tomb of Lazarus: *“I am the Resurrection and the life; whoever believes in Me will live even though he dies” (Jn 11:25-26)*.

3) Easter is a feast which gives us hope and encouragement in this world of pain, sorrows, and tears. It reminds us that life is worth living. It is our belief in the Real Presence of the Risen Jesus in our souls, in His Church, in the Blessed Sacrament and in Heaven that gives meaning to our personal as well as our communal prayer, strength to fight against temptations, and freedom from unnecessary worries and fears.

ACT OF SPIRITUAL COMMUNION

Most loving Jesus, I adore You in the Most Blessed Sacrament, in Which You are truly present. I love You above all things and I long for You in my soul. Since I cannot receive You sacramentally, I ask You to come spiritually into my heart and heal my soul. I embrace You and unite myself with You; may I never be separated from You. In flame my heart with the fire of Your love, my Lord and Savior.

CAN YOU SUPPORT OUR STREAMING AND HELP US TO BUY AN EQUIPMENT NEEDED?

If yes, please let me know. We are in need of two vlogging cameras (~\$200 each), two field monitors (~\$120 each), Softbox Video Lighting Kit (~\$70) and extra cables (~\$80).

So far, all we have now is just a primitive equipment. My wife is very talented in combining it together and making it working, but it is time and efforts consuming and pretty complicated. And always requires at least two people to operate and monitor the broadcast.

To compare the cost, nearby parishes paid for professional installation and service of the video equipment \$3,500.00 plus.
