### FAITH SHARING

Christ calls us to serve Him, now and forever. And to help make this possible, He gave us the great gift of the Polish National Catholic Church, the anniversary of the founding of which we commemorate today.

The first reading from the Book of Wisdom is telling us that the wicked are overwhelmed and amazed at the power and the glory of the righteous one.

Saint Paul in his letter to Timothy cautions us to beware of those who try to tell us to disobey the Lord, for all things made by Him are good and pleasing to the soul.

The Gospel passage is reminding us that the branches are us, the people of God, called together as the body of Christ, His One, Holy, Catholic and Apostolic Church. If we remain faithful to Him, we will bear good fruit to the Glory of His Holy Name.

## LENTEN / EASTER LETTER

You should receive already our Lenten/Easter Letter. This year it is quite sad, because of the dramatic financial situation in our parish.

The letter introduces to you some details, however the lack of money in our budget is not a fault of any individuals, but all of us as community, the parish family. My beloved co-workers, Julie, Joyce, Leon and Bill are the best people I could have to help me to run this parish. They do amazing job and miracle tricks to help me in every aspect of the parish administration. But honestly, there are just four people supporting and working hard. We need more to keep our parish open and running with the important mission. PLEASE DONATE! Stop pretending that you care of your church and please really support St. Valentine's. Are you still a Parishioner? Do you really think that \$10 once a year can help your church and can calm your conscience?
