In case you don't want to be recorded or visible (you or your minor children) while attending the Mass, please take a seat in the back of the church and receive the Holy Communion only spiritually. We apologize for the inconvenience.

### FAITH SHARING

This is the time of year we stop to remember and relive the events which brought about our redemption and salvation. What we commemorate and relive during this week is not just Jesus' dying and rising, but our own dying and rising in Jesus, which will result in our healing, reconciliation, and redemption. Attentive

participation in the Holy Week liturgy will deepen our relationship with God, increase our Faith, and strengthen our lives as disciples of Jesus.

Today's first reading, the third of Isaiah's four Servant Songs, like the other three, foreshadows Jesus' own life and mission.

The Second Reading, taken from Paul's letter to the Philippians, is an ancient Christian hymn representing a very early Christian understanding of who Jesus is, and of how his mission saves us from sin and death.

In today's Gospel, we listen to/participate in a reading of the Passion of Christ according to Mark. We are challenged to examine our own lives in the light of some of the characters in the Passion story – like Peter who denied Jesus, Judas who betrayed Jesus, Herod who ridiculed Jesus, Pilate who acted against his conscience as he condemned Jesus to death on the cross, and the leaders of the people who preserved their position by getting rid of Jesus.

### LENTEN / EASTER LETTER

You should receive already our Lenten/Easter Letter. This year it is quite sad, because of the dramatic financial situation in our parish.

The letter introduces to you some details, however the lack of money in our budget is not a fault of any individuals, but all of us as community, the parish family. My beloved co-workers, Julie, Joyce, Leon and Bill are the best people I could have to help me to run this parish. They do amazing job and miracle tricks to help me in every aspect of the parish administration. But honestly, there are just four people supporting and working hard. We need more to keep our parish open and running with the important mission. PLEASE DONATE! Stop pretending that you care of your church and please really support St. Valentine's. Are you still a Parishioner? Do you really think that \$10 once a year can help your church and can calm your conscience?
