### FAITH SHARING

Today's readings speak of the gift of life, both physical and spiritual, that God has given us. They urge and challenge us to be grateful for our health in body and soul and to use God's gifts of life and health responsibly.

The first reading, taken from the Book of Wisdom, tells us that God gave us life and health, and that it was the jealousy of the Satan that produced illness and death.

In the second reading, St. Paul asks the Corinthian Christian community to show to their suffering, starving Jewish brothers and sisters in Jerusalem, living in poverty and sickness, the same generous kindness and compassion Jesus showed in healing all who came to Him believing.

Today's Gospel describes two of our Lord's miracles, the healing of a woman who suffered from a chronic bleeding disease and the returning of the dead daughter of Jairus to life. These healings teach us that Jesus wills life, and wills full life for all God's children. They also reveal Jesus as a generous, kind, compassionate God Who wills that men should live their wholesome lives fully, giving us further proof of the Divine

power and the Infinite Mercy of our Savior. These miracles were worked by Jesus as reward for the trusting Faith of a synagogue ruler and of a woman with a hemorrhage. Although the Faith of the ruler may have been defective, and the woman's Faith may have been a bit superstitious, Jesus amply rewarded the Faith they had by granting them health and life.

### ACT OF SPIRITUAL COMMUNION

Most loving Jesus, I adore You in the Most Blessed Sacrament, in Which You are truly present. I love You above all things and I long for You in my soul. Since I cannot receive You sacramentally, I ask You to come spiritually into my heart and heal my soul. I embrace You and unite myself with You; may I never be separated from You. In flame my heart with the fire of Your love, my Lord and Savior.

### HEALING BY LAUGH

"A cheerful heart is good medicine" (Prv 17:22). Did you notice that many doctors tell jokes to his patients, especially those after surgery in the recovery room? Laughter exercises the face, shoulders, diaphragm, and abdomen. When the breathing deepens, the heart rate rises, and the blood takes up and transports

more oxygen. Endorphins are released, pain thresholds are raised, and some studies suggest that even our immune systems are boosted. When we laugh, others laugh too. — Laughter is a contagious, highly effective, non-prescription medicine. It has no side effects, and no one is allergic to it. Have we had our dose of laughter today? We can use the tool of humor to induce laughter for our health, healing and general sense of well-being. We can even spend time in daily practicing our laughing out loud – maybe by smiling first, then leaning into a giggle, and then in outright belly laughs!

#### FLEA MARKET AT ST. VALENTINE'S

Summer is good time for cleaning the house, the garage and around. Please save some items you don't need any longer, maybe somebody else will see them as treasures. Bring them to St. Valentine's for flea market and let us make some money on it. We can do it in August.

But please, no clothes, shoes, furniture, no old electronics nor books.
