to the Priesthood and Diaconate.

BROTHERLY LOVE: Is one of the days particular to our Church. This feast was called into being by Blessed Prime Bishop Francis J. Hodur at the General Synod in 1923. He called it into being because of the abuse including beatings, hatred, firings from jobs, and homes being foreclosed on. Prime Bishop Francis said not to give back hate but love. Was what Jesus said to love one another. It was also to encourage love and fellowship between the members of the Church as well as brotherhood to one and all. Jesus said we are to “love one another as He loves us.”

FAMILY FESTIVAL: The 75th Annual Polish American Festival will continue today on the grounds of the Shrine of Our Lady of Czestahowa from **NOON** to **8PM**. There will be food and fun for everyone.

9-11: Tomorrow is 9-11 Day. A day to remember the worst attack on America as planes flew into the Twin Towers in New York, and the Pentagon and a field in PA. I was on my way to a meeting in Scranton when the first tower was struck. Only later did I hear about all the other things that happened. Today we pray for all those who lost their lives, as well as the ones left behind.

ONLINE: until I learn how to attach the bulletin to the addresses of the parish you will have to go to St. Valentine.pub.
